01 Board racks

Snowboard, skateboard, longboard, kite, wake and balance board

SHAKA 1 Wall Rack

Wall mount shaped like a hand making the shaka sign. Lacquered plywood with a decorative engraving – for a snowboard, balance board, skateboard, wakeboard or kiteboard.

SHAKA 2 – Set of 2 Mounts

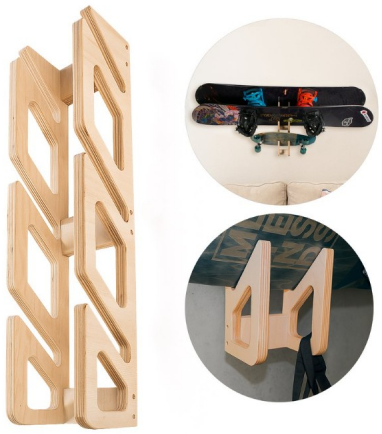
Two shaka hands that hold a board horizontally from both sides. Engraved, lacquered plywood; wall plugs and screws included.

Wall Board Rack – Set of 2 Brackets

A pair of 17 × 20 × 6 cm wooden brackets for a snowboard, wakeboard or kiteboard. Simple shape, steady support and quick access to your gear.

SKATE 2 Rack for 2 Boards

Wall organiser for snowboards, skateboards, longboards, trickboards, kiteboards or wakeboards. Unfinished 15 mm plywood – paint or oil it as you like.

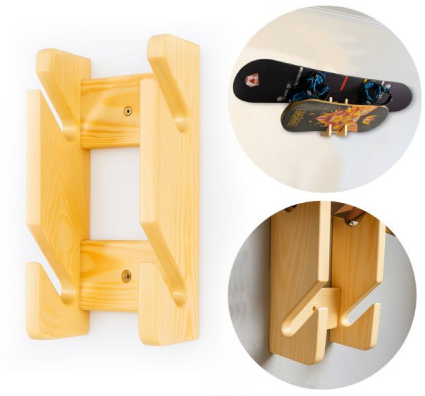


SKATE 3 Rack for 3 Boards

Three boards of any type on one wall unit. 15 mm plywood with no chemical coatings, delivered assembled with all fixings.

SKATE 4 Rack for 4 Boards

Four boards in one place – from snowboard to longboard. Warp-resistant 15 mm plywood with rounded edges, ready to personalise.



SNOW RACK 2 for 2 Boards

Minimalist rack made of solid, lacquered pine. Fits snowboards, longboards, skateboards, trickboards and penny boards.

SNOW RACK 3 for 3 Boards

Three-board version. Solid pine, lacquered against moisture and dirt – for the home, garage or sports club.

SNOW RACK 4 for 4 Boards

Four-board version for a home board room, shop or rental. Solid, lacquered pine easily holds boards with bindings attached.

02 Ski and pole racks

Lacquered, burnt and plywood versions – for 1 to 4 pairs of skis

Lacquered Rack for 1 Pair of Skis and Poles

Compact 21.5 cm pine mount finished with eco-friendly water-based lacquer. Hang the poles by their straps on the same pegs.

Burnt-Finish Rack for 1 Pair of Skis and Poles

The same compact 21.5 cm design in burnt pine that brings out the wood grain. Skis and poles in one dedicated spot.

Lacquered Rack for 2 Pairs of Skis and Poles

Pine rail with eco-friendly water-based lacquer, 19 cm peg spacing. Two pairs of alpine skis and poles on the wall instead of leaning against it.

Burnt-Finish Rack for 2 Pairs of Skis and Poles

Burnt pine rail for two pairs of alpine skis, 19 cm peg spacing. Poles hang by their straps next to the skis.

Lacquered Rack for 3 Pairs of Skis and Poles

75 × 12 cm pine rail with eco-friendly water-based lacquer. Each of the three pairs of skis has its own spot, with the poles hanging alongside.

Burnt-Finish Rack for 3 Pairs of Skis and Poles

75 × 12 cm burnt pine rail for three pairs of alpine skis and poles. Mounting hardware included.

Lacquered Rack for 4 Pairs of Skis and Poles

101 cm pine rail with eco-friendly water-based lacquer. Four pairs of skis plus poles; screws and wall plugs included.

Burnt-Finish Rack for 4 Pairs of Skis and Poles

101 cm burnt pine rail for four pairs of alpine skis and poles. Screws and wall plugs for solid walls included.

Plywood Rack for 2 Pairs of Skis and Poles

Lacquered hardwood plywood, 30 × 18 × 10 cm. Two pairs of skis with a separate spot for poles – compact, for a ski room, garage or mountain cabin.

Plywood Rack for 4 Pairs of Skis and Poles

Lacquered hardwood plywood, 70 × 18 × 10 cm, 15 cm slot spacing. Four pairs of skis with a separate spot for poles – held securely, with no risk of damage.

03 Ski and boot stands

Freestanding – for ski rooms, garages and rentals

Folding Stand for 3 Pairs of Skis and 1 Pair of Boots

Freestanding stand that folds away after the season. Three pairs of skis and boots in one stable spot – at home, in the garage or at a mountain cabin.

Stand for 4 Pairs of Skis, 4 Pairs of Poles and 2 Pairs of Boots

The whole family's ski gear in one place. A sturdy organiser for a ski room, service shop or rental, with quick access to every set.

04 Racks for boots, helmet, jacket and bike

Keep the hallway, ski room and garage tidy

Rack for 1 Pair of Ski or Snowboard Boots

30 × 10 cm rail with two 35 cm arms, 16 cm apart. Lower hooks for a helmet or gloves; also fits inline skates, ice skates or wellies. Lacquered hardwood plywood.

Rack for 2 Pairs of Ski or Snowboard Boots

60 × 10 cm rail with four 35 cm arms, 16 cm apart. Two pairs of boots, lower hooks for a helmet or gloves. Lacquered hardwood plywood.

Rack for a Ski Jacket and Helmet

Jacket, helmet and small winter accessories in one place. A compact natural-wood rack for the hallway, ski room or rental.

Wall Rack for a Bike and Helmet

The bike hangs on the wall, with a top shelf for your helmet, gloves or glasses. Saves space in the garage, basement or bike workshop.
